**Chambers, Laura M.**

---

**From:** Tim Connor [TConnor@cceconomicdevelopment.com] INDEPENDENT REGULATORY  
REVIEW COMMISSION  
**Sent:** Monday, November 30, 2009 10:17 AM  
**To:** EP, RegComments  
**Subject:** Proposed Chapter 102 Regulations

Please do not take part in making guidelines stringent for riparian buffers. This will impede on smart growth projects and we are not in a position to deter job growth, especially at this point and time.

Let engineering allow for solutions, not stringent laws lobbied by environmentalists with no real science to back their platforms.

We also feel that the increase in permit costs has an adverse effect on smart growth projects.

Thank you-

*Tim Connor*
