

Environmental Quality Board

My name is Joanne
 Bevilacqua & live at
 187 Park Ave Ambler, PA
 19002. I have lived in
 Ambler for 56 years and
 I have never seen flooding
 like we have had in past
 few month its a disgrace!
 My daughter, husband and
 three kids live in a house
 that floods every time

It rains and my nose
 mold growing in their
 basement and the kids
 are always sick. I would
 like something to be done
 about this because its
 not fair to have to live
 this way
