Dear EQB,

I am writing because I want  
you to require a minimum  
100 foot forested buffer  
on all PA streams. It  
can reduce pollution and  
provide a natural  
priority values. Clean  
water is a right that  
I have but I am losing  
it. I want our earth  
to become a better place  
and healthy. So make that  
us a right that we all  
deserve.

Sincerely  
Me
