ENVIRONMENTAL QUALITY BOARD

10/21/09

Dear Environmental Quality Board

I am writing about my concern about  
sug ar flood plans.

We need a minimum <sup>(checked)</sup> 100 foot buffer  
buffer on all streams in PA.

I have young children and the future of  
our streams and clean water are  
important to me.

Sincerely,

Ursula Suter, MD  
Ursula Teitelbaum
