As an animal lover and owner of 2 dogs (one of puppy mill parents), I would like to know why Governor Rendell and certain members of his staff (Crawford, Jessie Smith, Redding and West) are refusing to enforce the very law that Governor Rendell signed in 2008?

I am both saddened and outraged by this.

Please make sure that Pa. dogs are off the wires. It is the law that solid floors are REQUIRED for the ENTIRE surface of the floor in the dogs' cages. Please enforce this, regardless of your personal feelings. Do what is right for these helpless dogs.

Thank you. Ilona Tarnoff
