Subject: puppy mill laws

To Governor Rendell's Administration

As a tax payer in Pennsylvania and a animal lover I am writing you this letter in regards to proposed regulations to allow commercial breeders to use 50% wire floors in dog cages. I am out raged that you would even consider circumventing the new laws that were passed to stop puppy mill torture. Please do not undo all the great work that Pennsylvania has accomplished against puppy mills and their owners. As a tax payer and voter I am keeping close watch on your decision and will inform other voters of your decisions. Please do the right thing and protect these dogs from untold suffering. Please enforce these laws as written.

Sincerely
