**Subject:** Dog Law Needs Enforced!

I am writing to convey my outrage that the dog law passed in 2008 is not being enforced!! As a Dog Parent of puppy mill rescues, I can tell you that wire flooring is quite detrimental to the well being of a dog. My dogs are permanently deformed from being housed on wire flooring. Their paws are often painful and are "webbed" like a duck's feet. This is absolute outrage that laws are passed and then no one has to follow them.

Governor Rendell, Secretary Redding, Rendell's Chief of Staff Steve Crawford, Special Secretary Jessie Smith, and Director of Dog Law Sue West are condemning millions of dogs to lives of untold suffering!!

Why bother passing a law if no one has to follow it? This is absolutely ridiculous that a thriving nation such as our own is allowed to profit off of the suffering of our dearest companion animals.

Makes me sick! You need to enforce these laws!!!
