Subject: Puppy Mill Laws

Dear Representative,

I am writing to request that you fully support the dog law act 119 as it is written. I share my life with a puppy mill survivor and I see every day the severe damage her past environment caused. Because you are the only body that can make a difference it is incumbent upon you to enforce this law.

Compassion for these helpless animals should be everyone's concern. I would expect no less from you.

Thank you for your consideration in this matter.

Karen Leyden
