Subject: I am ashamed ! PLease Give Commercially Bred Dogs Solid Flooring no more WIRE BOTTOMS !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Hello,

I moved here from France and didn't expect to find that dogs were treated so horribly in this country!
Commercial breeding seems like animal abuse, wire bottom in cages ?
Give these already miserable dogs hard flooring and more space.
Be a good human, the dogs deserve it .

Really , wire ???????? What lazy, dirty human came up with this one ?
Money seems more important that the dogs so at least they should be comfortable while being exploited.
Seems like SLAVERY all over again.

I am sad to hear how you are closing you eyes on man's best friend and letting the breeders profit form a horrible situation.
Please act now ! and stop letting these so called BREEDERS get away with MURDER and ABUSE !

A loving, caring human who sleeps works hard and sleeps well at night.

Sincerely,

Sylvie Forrest
