**Subject:** Do the Right Thing!

I plead with you to please put an end to the suffering of puppy mill dogs and fully support the Act 119 protecting these beautiful, helpless animals.

I just adopted a dog from a puppy mill and can't imagine her being treated with anything but love. You have the power to do something about this and I beg you to do the right thing.

I would appreciate it and so would Sophie's friends out there who have yet to be given a proper home.

Colleen
