Subject: Act 119

Please remember 'Act 119, the new dog law, was signed into law by Governor Rendell on October 8, 2008. This legislation was enacted to help Pennsylvania to rid its reputation as the 'Puppy Mill Capitol of the East.' The updated law is designed to greatly improve the treatment dogs receive while in commercial kennels.' and do all you can to enforce this regulation instead of ignoring it. We expect that you support the proposed changes to the dog law and I am urging you to do everything that you can to stop the suffering.
