A new message has arrived from the IRRC Website

**First Name:** VIRGINIA LEAH

**Last Name:** KINTZ

**Company:**

**Email:** [vkintz@comcast.net](mailto:vkintz@comcast.net)

**Subject:** CAGE FLOORS AND WIRE

**Message:**

It is important that NO dogs be subjected to living and sleeping on a floor consisting of wire. I cannot imagine why on Earth anyone would put this loophole in the ruling. What were people thinking? If you would not subject yourself or your family to those same conditions, you should not permit this condition to exist for animals.
