Subject: Dog Law

It is your obligation to uphold the new dog law to its fullest extent. To do anything else is morally and ethically wrong, as well as being exactly what the voters of Pennsylvania DO NOT WANT!

Stop coming up with new ways to protect the breeders and do what you were hired to do - protect the dogs of PA. There are thousands of animal lovers watching, and we're well informed. Protect the dogs or lose your jobs!!!!

Remember, abuse in the name of profit is still abuse!

"Animals have been regarded as property for way too long. It's high time we took on a more loving and responsible relationship with our kindred beings in the web of life on this beautiful planet. I always think and act as a guardian towards my kindred beings, never as their owner."

- Jim Mason, author, An Unnatural Order
