Subject: Main Line Animal Rescue - Enforce Act 119

I urge you to enforce and stand behind the new dog law (Act 119) signed in 2008 and **not** allow 50% wire floors in the dog's cages for commercial breeders. I also urge you enforce the Act 119 law that guaranteed unfettered access to an outdoor exercise run for every adult dog. I am appalled that any of you would consider allowing breeders to continue to use 50% wire floors and not require the unfettered access to an outdoor exercise run for every adult dog. By doing so you are encouraging the puppy mill industry. I will continue to address this issue with my congressman.

Sincerely,

Patricia Rusnock
