**Subject:** Dog Laws

I want to hear no excuses, don't claim that wire floors are more sanitary, don't defend the actions of an industry that has proven that is has *no* moral base.  
Enforce the dog laws as they were written and passed. Insist your friends, the commercial breeders, comply with our laws and make structural improvements – get mothers and puppies off wire and give them access to outdoor runs.

Seriously,

*PK Dennis*
