Just a few lines on the new
(Commercial Kennel Canine Health
Regulations) we Appose to these new
Regulations we feel this is not what the
Dogs Puppys want we as a family
operation in the Commercial Kennel have
been raiseing puppys for almost 20 years
and have made a lot of changes since
2000 what the law requairs as of now
is not a proplem we know what it
takes to have healthy puppys. people that
are not in this business have no Idea.
we will have to go out of business
if this new law passes. So please
take this in consideration. we just
passed our inspection. and spend 20
thousand something Dollars and now we
have 70 something thousand in our
building just to see it all for
nothing so please please do not put
us out of business

Thank you
