

Dear IRRC Commission

We would like to thank you for your time, considering our concerns

We are writing about our concerns about the new dog laws that are being proposed. We feel that anybody that owns a kennel has to properly care for their dogs, following the current laws. (which are important)

But the new laws will make it impossible for breeders like ourselves, to stay in business. We will be forced to give up our hobby breeding

We thank you again for your time and effort
