

2785

Dear Honorable

James Smith,

My husband and I own and operate
a small commercial kennel.

These new laws, rules, and regulations
are going to put us out of business.

Could you please help us save our family
project?? It is unaffordable and by no
means necessary to have dogs loving
better ~~than~~ than people.

Please! help us!

Thank You!
Very Truly,
Mrs. Reuben Esch
