Regulations email

Dear Acting Secretary Redding,,

I am writing to voice my support for the new commercial kennel regulations that have been proposed by the Canine Health Board. I hope they will be approved and implemented as soon as possible in order to protect dogs. This has been far too long in coming and is a VERY necessary step. I live in Lancaster County and so am familiar with the deplorable conditions in puppy mills. These are conditions that no animal, canine or otherwise, should be forced to live in. These animals can not speak for themselves. We MUST step up to the plate for them.

Thank you for your consideration.
