Good Morning All:

I am writing in support of the Canine Health Board's proposed regulations. I urge that you also support this and pass the proposed regulations. As a volunteer at a local shelter, I see the animals first hand who come from puppy mills. It takes months and months to rehabilitate them to do even some of the smallest things like walking on grass. I just ask that you PLEASE support this and give these animals a humane place to "live." And if passed, the state will not incur any additional costs enforcing these regulations, and any costs incurred by the commercial kennels will be made up by selling healthier dogs. Passing this is a win-win situation.

PLEASE support!!!!

Thank you for your time,  
Colleen Zadroga
