Subject: Canine Health Board's proposed regulations

Please support the Canine Health Board's proposed regulations. Please note that if passed, the state will not incur any additional costs enforcing these regulations, and any costs incurred by the commercial kennels will be made up by selling healthier dogs. Please be sure that the proper lighting, flooring and ventilation is provided for these innocent loving animals.

Please also consider making eating dogs and cats in PA illegal. I understand that there is not a law currently in place.

Sincerely,

Karen and Russel Strauss
