Subject: Support Canine Health Board's Proposed Regulations

To Whom It May Concern:

I am writing you to encourage you to support the new proposed regulations by the Canine Health Board.

As I am sure you are aware these changes will not cost the state any additional money to enforce these regulation and any costs incurred by the commercial kennels will be made up by selling healthier dogs.

In addition, it is the humane, RIGHT thing to do. These are living, breathing beings that deserve to be treated as such.

Sincerely,

Lee P. Halladay
