Subject: Please support the new kennel regulations

Regulations email
Dear Acting Secretary Redding,,

I am writing to voice my strong support for the new commercial kennel regulations that have been proposed by the Canine Health Board. I hope they will be approved quickly and implemented as soon as possible in order to protect dogs. I once visited a local kennel and have nightmares to this day of what I saw. Please help put a stop to the current cruelty.

Thank you for your attention to this very important matter.
