Subject: IRRR 2-785

Message:

Dear Committee, I implore you to adopt IRRR 2-785. The inhumanity with which dogs are treated within many "puppy mills" is truly unspeakable. How can a humane state allow people to profit from cruelty to animals? When raids remove badly treated animals from these kennels some of them have to be put down because they will never be able to trust a human. Please put an end to this. Thank you Gillian Hewitson
