**Subject:** Please Support the Canine Health Board's Proposed Regulations

I am writing in regards to the Canine Health Board's proposed regulations for commercial breeding facilities. These regulations are crucial to providing a safe and healthy environment for the many dogs in these breeding facilities. I urge you to support the Canine Health Board's proposed regulations. The state will not incur any additional costs for enforcing these regulations and the dogs will benefit tremendously. Healthier dogs will be sold by these kennels so it is a win/win situation for everyone.
