**Subject:** FW: FW: ASPCA PA Alert Report  
**Attachments:** PA\_Alert\_102309.csv

Dear Comment Recipients:

This spreadsheet from the ASPCA, and others to follow, lists persons who have attempted to send the ASPCA form comment to the PA Department of Agriculture. Because these comments all indicate ASPCA as the sender, rather than the individuals' email addresses, these emails began to be rejected by the PDA server on October 6, 2009, and cannot be retrieved. The ASPCA cannot modify their site to change this. For this reason, the ASPCA is alternatively sending weekly spreadsheets to PDA listing those persons who have attempted to comment. This is the only information that will be available for these rejected comments.

A copy of the ASPCA form comment is posted on the IRRRC Web site. The individual comments received before the PDA server began rejecting them, from October 5 and 6, 2009, were previously sent to you in spreadsheets prepared by PDA. The ASPCA spreadsheets include the comment sender information for those comments, and for the later rejected comments, so a count can be obtained from these ASPCA spreadsheets after October 27 of the total number of ASPCA form comments.

Thank you.

OK, sorry the change to the subject line didn't help, but at least now we know that for the future. Here's this week's list (83 responders):

Carrie, FYI. We have received nothing after Oct 6 - changing the subject line apparently did not help. We consulted with counsel for the Canine Health Board and for IRRRC, and our process will be to send your

spreadsheets to the comment distribution list. Thanks. Jessie
