Subject: SUPPORT CANINE HEALTH BOARD'S PROPOSED REGULATIONS

Dear Members of the IRRRC:

I understand that you are currently reviewing the recommendations made by the Canine Health Board. I urge the members of the IRRRC to support these regulations - in order to help the dogs of Pennsylvania's puppy mills. Please note that the Canine Health Board is comprised of nine vets selected by both the Republican and Democrat leaderships. These regulations have bipartisan support and were approved unanimously by the vets on the board. Also, if passed, the state will not incur any additional costs in enforcing these regulations; any costs incurred by the commercial kennels will be made up by selling healthier dogs.

Thank you,

Gwynne and John Hagee
