I am writing to voice my support for ACT 119; concerning the welfare for our canine friends. As a responsible cat breeder of top Maine Coons, I have been adamant about conditions, cleanliness and the happiness for our breeding animals. They need to be loved and housed with dignity! Please do not let this opportunity pass for the sake of their welfare. It is totally disgusting to see how many breeding animals are mistreated. As you can see on my web site, under \*Our Home\*, I am in full support of Act 119. Now, the next job facing us is putting this Act into effect!! Please help our canine friends. While you're at it, it would be good to do the same of some of the terrible \*Kitten Mills\* as well. Thank you for your time.  
Sincerely, Sue Storten, Erie, PA.
