Subject: Support CHB's Regulations

To whom it may concern,
I fully support CHB's regulations in reference to the conditions pertaining to the COMMERCIAL DOG BREEDERS KENNELS. Since the Commercial Dog breeders feel compelled to breed dogs on a MASS SCALE (in order to provide for their families), the very least they can do is provide adequate, & by adequate I mean putting all CBH's regulations as they are written,(absolutely NO exceptions) into effect immediately.
The public, all dog advocates, all Humane Shelters & Dog Rescue Groups have been patiently tolerating the lack of improvements which should have been implemented since day one. This is a "no brainer". No ifs, buts nor ors. These regulations must be enforced, the patience have run out. These dogs should not have to endure these conditions any longer!
Thank you for your time & consideration.
Sincerely, Ginny Whiskeyman
