Dear Director Sue West

This is in regards to the whole Commercial
Kennel Dog Law issues. that I have been
reading

First of all, I don't own a dog, but have
been intrigued about what is going on and I
think it is totally ridiculous! I think it is
time to let my voice be heard.

I think the Commercial Kennel regulations, that
Gov Rendell signed are totally stupid and I feel
the articles on the Canine Health Board concerning
lighting ventilation cooling etc are totally
unrealistic.

Instead of writing and going into detail of all
the unreal things I will say Please vote
'NO' to the Canine Health Boards regulations
that they want to be law

It about time you use some common
sense instead of peer pressure
