Regulation No. 8-14 (#2796)
Department of General Services
State Metrology Laboratory Fee Schedule

On September 29, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of General Services (Department). This rulemaking amends 70 Pa. Code §110.2. The proposed regulation was published in the October 10, 2009 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on September 27, 2010.

The regulation increases 12 fees for calibration, type evaluation and other testing services performed by the State Metrology Laboratory.

We have determined this regulation is consistent with the statutory authority of the Department (3 Pa. C.S. §§ 4110, 4178 and 4190) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Arthur Coccodrilli, Chairman
