INDEPENDENT REGULATORY
COMMISSION

To the EQB:

From: Richmond Township, Crawford County

Subject: Volume 39, Number 42

We are a small rural community which finds your regulation to be most outrageous. It is despicable that a committee of 20 people can rule in this matter. Please take this under consideration as there are many who have lost jobs, who own property and are trying to meet the everyday expense for natural gas and oil.

Regards,
Bonnie B Bradish
Richmond Township
