DEAR ENVIRONMENTAL QUALITY BOARD.

I HAVE READ THE PROPOSED
REGULATION ON WOOD BOILERS.

THE STATE OF PA. SAYS IT WANTS
RENEWAL ENERGY.

NOT FROM WHAT I'VE READ.
THESE REGULATIONS ARE GOING TO IMPACT
MANY SMALL BUSINESSES.

NO MENTION OF COAL BOILERS BUT A
TAX IS PAID ON COAL SO I GUESS THAT FIXES
THIS PROBLEM.

WHAT BIG CORPORATIONS ARE BEHIND
THIS REGULATION?

IN MY OPINION THIS HAS LESS TO
DO WITH REGULATION AND MORE TO DO
WITH ELIMINATION.

THANK YOU FOR YOUR TIME.
