Subject: OUTDOOR WOOD BOILERS PROPOSED RULEMAKING

DEAR SIRs

I DO NOT HAVE OR LIVE NEAR AN OUTSIDE WOODBURNER OR FURNACE ,BUT I DO HAVE A FRIEND WHO DOES ,AND CAN TELL YOU THE PROBLEMS IT HAS CAUSED FOR HER FAMILY . I HAVE HAD SEVERAL CONVERSATIONS WITH HER WHEN SHE AND HER FAMILY COULD NOT HAVE THEIR WINDOWS OPEN ,THE AIR CONDITIONER OR EVEN THEIR OWN OIL FURNACE TURNED ON BECAUSE OF THE FUMES FROM A NEIGHBORS FURNACE BEING PULLED INTO THEIR HOME MAKING IT IMPOSSIBLE FOR THEM TO BREATH . ONE MEMBER OF HER FAMILY HAS EVEN HAD TO BE TAKEN BY AMBULANCE BECAUSE OF THE BREATHING PROBLEMS CAUSED BY THE NEXT DOOR NEIGHBORS FURNACE . I KNOW THIS HAS BEEN A HARDSHIP FOR THEM AND THAT THEY HAVE EVEN CONTEMPLATED MOVING FROM THEIR HOME OF MANY YEARS BECAUSE THE NEIGHBOR DOES NOT WANT TO BELIEVE THIS IS A PROBLEM , I REALIZE MANY HAVE PURCHASED THESE HEATING SYSTEMS AND HAVE NO OTHER SOURCES OF HEAT FOR THEIR HOMES . SOMETHING HAS TO BE DONE TO MAKE THEM SAFER . AS YOU CAN SEE MANY PEOPLE FEEL LIKE PRISONERS IN THEIR HOMES PLEASE DO SOMETHING TO HELP
