Hey FastEddie and the rest of you useless AssHole Morons,

Why can't you idiots just keep your noses out of our business, HUH ?

YOU ASSHOLES ALWAYS KNOW EVERYTHING ABOUT NOTHING AND NOTHING ABOUT ANYTHING BUT YET YOU WANT TO CONTROL EVERYTHING !

You've run most good companies out of this state, wanna run the state on toll roads and gambling, and tax anything that doesn't move. You're already taxing water so I guess taxing air is next ! How about putting methane monitors on cows asses and tax them. When does a politicians stupidity ever end ?
Answer: In the grave.

The only good DumbAssOcrat I have ever known is looking up at 6 feet of dirt.
