Subject: PLEASE: NO STATE RESTRICTIONS on the use of outdoor wood-fired boilers

DEC 7 REC'D

INDEPENDENT REGULATORY
REVIEW COMMISSION

For the EQB and DEP:

PLEASE DO NOT CREATE STATE RESTRICTIONS ON WOOD-FIRED BOILERS! Local governments already have the authority to regulate these boilers if needed. State regulations are not necessary, and passing them would only create more government control, taxation, and expense for those who can least afford it.

Thank you,
