DEC 1 REC'D

INDEPENDENT REGULATORY  
REVIEW COMMISSION

To Whom It May Concern,

I am the mayor of the Borough of Ellport in Lawrence County and I have received many complaints about a resident who has one of these boilers on his property. When he is burning, very black smoke comes from his stack which is only six to eight feet above the ground. The smell is the biggest complaint because it is noticeable for several blocks. Legislation regulating these boilers will be greatly appreciated.
