Subject: Boilers

DEC 7 REC'D

INDEPENDENT REGULATORY
REVIEW COMMISSION

Tell the EQB and DEP to leave your boilers alone by submitting your comments before Jan. 4, 2010:

Enough all ready! Give the people a little peace and FREEDOM!! Start giving back to the people that have made this country. Take, Take and Take, More, More, More, does this sound as if it has been heard before. How many times must the people of this great country and state tell the law makers to STOP!!
