Restricting us to more expensive heat, would leave us in the cold . At this time I could not afford a new wood stove and I can't afford gas. My gas bill 2500.00 dollar now and can't afford to pay it, so I have no options put to burn wood . I thing we have enough and to many restriction. These are hard time for evryone I have a good job and having a hard time .I no the elderly live on less and Im sure they also are in the same boat are they willing to leave them in the cold to
