Subject: Regulation of Outdoor Wood-Fired Boilers

2009 DEC 17 PM 4:09

INDEPENDENT REGULATORY
REVIEW COMMISSION

The proposed regulations would prohibit me from using my outside stove. I have been using my stove for 14 years. It would cost me a lot more money to burn natural gas or use electricity. I could not erect a stack tall enough to meet the new regulations. Thank you. Charles Brackman R R # 1 Box 3 Granville Summit PA 16926
