Subject: OUTDOOR WOODBURNERS

2009 DEC 17 PM 4:06

INDEPENDENT REGULATORY
REVIEW COMMISSION

I believe that anyone who lives in a rural area and owns more than 5 or 10 acres should be exempt from regulation if the woodburner is at least 250 ft. from nearest neighboring structures. In residential areas where houses are close together regulation is needed. Thank you Louis Karija 728 Bark Shanty rd. Austin, PA 16720
