I would like u to know that two years ago I put a outdoor woodburner in because I couldn't afford 700 a month in fuel oil. I've heard about the chimney law that's goin around. I live out in the country with no neighbors so what good would it do here. All it would do is cost me money I don't have so I'd like u to know I'm not for it thank u!!!!!!!!!!!!!! Venango county resident!! Sent from my Verizon Wireless BlackBerry
