INDEPENDENT REGULATORY  
REVIEW COMMISSION

2009 DEC 24 AM 11:11

RECEIVED

To Whom It Concerns:

It is my understanding that there is consideration at this time to regulate outdoor wood-fire bowlers at the state level.

I am writing to express my objection to that.

This is a local issue that should be handled by local government. That is why we have local government. Local governments are much better suited to make the regulate things like this than the state can do from afar.

Sincerely,

Richard A. Wilson
