Subject: Chapter 95/ ref. docket 2806

Message:

With all that's happened in the Gulf and here in our own Clearfield Co. gas blow out, it's rather amazing to me that human beings still want to WEAKEN environmental laws. There is nothing more precious than our health and the health of the planet we exist by. We don't need to learn this lesson the hard way: please STRENGTHEN Chapter 95/ ref. docket 2806.
