Please Please Please Do not be short sighted and allow profit motive greed and inhumanity to ruin the land which I love, Pennsylvania, by not enforcing the strictest protection of Marcellus wastewater. I am appalled by this mining hazard. If it wasn't making so much money for the gas industry they wouldn't be here. HYou must protect the citizens of this state . HOW can anyone be allowed to ruin our water. PLease vote for protecting our water. How willl anyone ever move into the northern counties. I certainly cannot now that so much destrustion is probable. You are allowing the devaluation of PA for short sighted profit. Please vote to curb damage from marcellus shale drilling in every way. . Sincerely Judith Joy Ross Distinguished Daughter of Pennsylvania 20010
