**Subject:** Wastewater Treatment Requirements (25 PA Code Ch 95)

2010 JAN 13 AM 11:04

INDEPENDENT REGULATORY  
REVIEW COMMISSION

As a lifelong citizen of PA and consumer of water I urge you to strengthen the requirements for clean water. I'm especially concerned about the waste water from Marcellus shale extraction. We can't let this lucrative industry spoil PA and pollute our waters and not be responsible for minimizing the damage. Please strengthen these regulations and rigorously enforce them. Thanks for your consideration.
