INDEPENDENT REGULATORY  
REVIEW COMMISSION

**From:** Elisabeth Collins [collins54@verizon.net]  
**Sent:** Wednesday, February 10, 2010 1:46 PM  
**To:** EP, RegComments  
**Subject:** Chapter 95 Wastewater Treatment Requirements

Please do not allow further work on this project until all requirements have been completely met. Once ruined it can take forever to NEVER being able to restore our natural environment!
