Regulation No. 11-240 (#2812)  
Insurance Department  
Education and Training for Applicants and  
Insurance Producers

On December 14, 2009, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Insurance Department (Department). This rulemaking deletes 31 Pa. Code Chapter 39 and replaces it with Chapter 39a. The proposed regulation was published in the December 26, 2009 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on November 9, 2010.

This rulemaking establishes new training requirements for insurance producers and insurers writing long term care insurance and insurance producers selling flood insurance. It also clarifies existing training and education requirements for insurance producers.

We have determined this regulation is consistent with the statutory authority of the Department (71 P.S. § 186 and 40 P.S. §§ 310.4, 310.8 and 310.98) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.
