To Whom It May Concern:

I recently graduated from MONTgomery County Community College and was gladly receiving help from KEYS. Without Keys I would not have been able to go to school with two little boys at home. I would love to get a job but to have to work, go to school and raise kids is next to impossible. If it is possible, one of them is lacking and I refuse to put my kids second. I will now transfer to a four year school where I will eventually have to work. HOWEVER, Keys was an awesome help for me and my education. I often tell other people about it and I hope it continues to help others in need of education!

Sincerely,

~NICOLE LEBENS~
