Dear DPW,

Hello my name is Tamyra Cody. I received a letter from the Keys Program here at Montco in regards to you'll putting a cap on our benefits, meaning that we only will receive \$1,000 per year for transportation, and \$2,000 in a life time for books.

I'm sorry but I would definitely have to disagree with this. If this law was passed it would affect me in so many ways. I'm in school right now as we speak. I'm majoring in Criminal Justice. I'm going to school to further my education; I want to become a Juvenile Probation Officer. I'm going to school to not only for me and my daughter, but for my brother who I am also helping to raise as well. I just want them to have everything I never had. You'll are paying for my transportation back and forth to school, not only for me to go to school but for me to take my daughter to school also. I get my books for my classes and my school supplies through you'll too. I believe that if this law was to get passed that I wouldn't be able to afford to attend school. The allowances that I get from you'll help me out in so many ways. If this law was to get passed I don't know how I would be able to finish school. Thank you for your time.

Sincerely,

Tamyra Cody
